LEA
CERAMICHE

**Kensington:
l'incontro
perfetto
tra modernità
e tradizione.**

Con un lontano rimando alla tradizione artigianale della lavorazione ceramica inglese, la collezione Kensington è una reinterpretazione delle raffinate atmosfere delle residenze inglesi ora riproposte in chiave moderna.

In una finitura smaltata lucida e in una palette cromatica dalle tonalità polverose, Kensington si contraddistingue per i singolari formati dei suoi moduli.

**Kensington:
the perfect
combination
of modernity
and tradition.**

With a distant reminder to traditional English ceramic craftsmanship, Kensington is a reinterpretation of the dainty atmospheres of English residences revisited in a modern key.

With shiny glazed finishes and a chromatic palette with soft colors, Kensington differs for the remarkable formats of its modules.
